

THE VIRUS 2

BY JAMIE HAAZEN

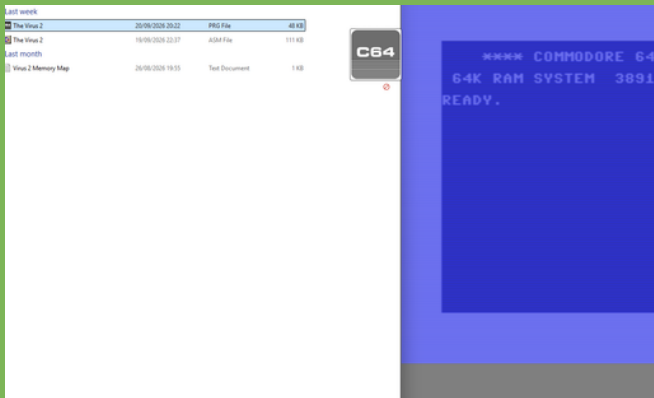

Instruction Manuel

Loading The Game

On Emulator

If On Vice, Drag and drop the PRG
and the Game Should immedietly Boot Up

On Real Hardware

Use an 1541 Floppy Drive emulator and load the
disk image on to an sd card or you could use the
sound file provided with a car aux cassette
adapter to load from the datasette

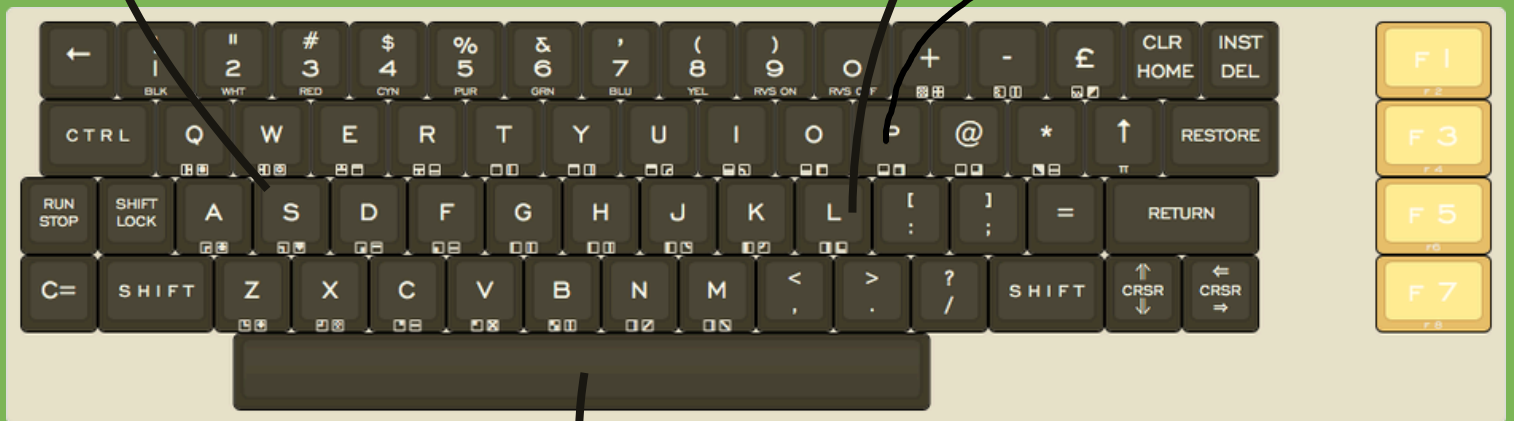

Controls

Movement

Swap Weapon

Pause

Title Screen

The Title Screen is Where you start the game but certain keys will also tweak some settings

Pressing N Disables alternate endings

The “By Jamie Haazen” Text will be replaced by “You’ve been infected” If you die more than 10 times

Gameplay

Your Main Goal in the Game is to Collect 100 Materials and escape the infected area, However Zombies are Chasing you and you will need to fight them

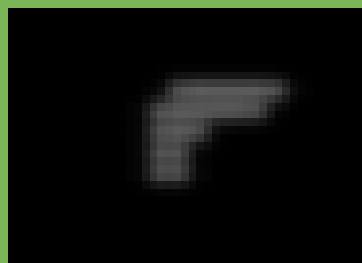

Once You Gain Enough Materials A Car Will Spawn Which Will End The Game

Weapons

You start with just a Sword, you can use it to attack but only one tile beside you and in the direction that you are facing

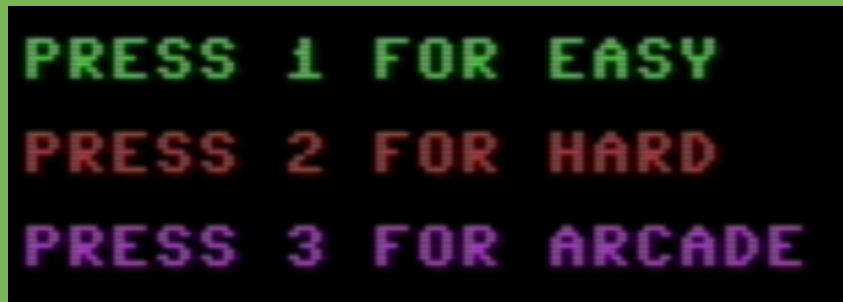

However once you collect enough materials the Room with the Gun will Open Up. Once You have the Gun You will Be able to shoot The Zombies.

You Can Switch Back To the sword
By Pressing L

Game Modes

There Are 3 Game Modes

Easy = Only 1 Zombie Will Spawn
At A Time (No Alternate Endings)

Hard = 2 Zombies Will Spawn At A
Time

Arcade = Hard Mode But The Goal is
just to get the Highest Score That You
Can

Endings

**There Are 3 Endings To
The Game**

The Requirements Are:

**Bad Ending: Die More Than
10 Times in your playthrough**

**Good Ending: You Die Less
Than 10 Times During Your
Playthrough**

**Best Ending: You Do Not Die
During Your Playthrough At
All**

Please Enjoy :)
